Dear Friends and Colleagues,

Greetings from **Indian Society of Haematology and Blood Transfusion (ISHBT)!**

The workshop will cover an introduction to haematopathology through morphological examination of slides. The sessions will cover topics of both non-neoplastic and neoplastic diseases by experts in this field. Topics will include benign haematological conditions, myeloproliferative neoplasms, myelodysplastic neoplasms, acute leukaemias, lymphomas and plasma cell neoplasms.

With this in mind, we are organizing a one-day **"A KALEIDOSCOPE OF HAEMATO-PATHOLOGY"** - Workshop on Peripheral Smear, Bone marrow and Lymph node morphology on **27th June, 2025, Friday at Taj Vivanta, Kolkata**. The workshop will be Organized by **ISHBT (Indian society of Haematology and Blood Transfusion)**.

Topics will cover

Morphology - the mother of clinical haematology

Non-neoplastic diseases

Myeloproliferative neoplasms

Acute leukemia - Lymphoid and Myeloid

Low grade lymphoma

High grade lymphoma

Myelodysplastic neoplasms and Myelodysplastic / myeloproliferative neoplasms

MPAL / Ambiguous leukemia/ Histiocytic disorders & other rare Hematological disorders

Plasma cell neoplasm

Medical Ethics

Registration Details:

Indian Society of Haematology and Blood Transfusion
(Kindly share the payment details)

Registration fees - Rs.1000.00

West Bengal Medical Council Credit Points.
