Dear Friends and Colleagues,

Greetings from **Indian Society of Haematology and Blood Transfusion (ISHBT)**!

Bone marrow aspiration and biopsy are essential techniques for diagnosing various hematological disorders. The interpretation of bone marrow aspiration smears and biopsies remains the cornerstone of diagnostic hematopathology and is a fundamental skill for pathology residents. Additionally, it is crucial for clinical hematology residents to understand how to interpret these smears and biopsies.

With this in mind, we are organizing a one-day **“Workshop on the Interpretation of Bone Marrow Aspiration and Biopsy”** on **19th April Saturday, 2025** at **Hotel Stadle, Salt Lake, Kolkata**. The workshop will be Organized by **ISHBT (Indian society of Haematology and Blood Transfusion)** In collaboration with **Oncquest Laboratories**. It will be held under the expert guidance of **Dr. Tejindar Singh**, a renowned hematopathologist with years of experience in teaching and diagnostics.

We invite you all to attend this workshop and learn from leading experts. The workshop will cover a wide spectrum of hematological disorders, ranging from benign to malignant conditions. The morning session will feature a series of lectures on various hematological disorders, followed by a slide microscopy session in the afternoon. This workshop will be highly beneficial for pathology residents, postgraduate students, clinical hematology residents, and practicing pathologists. We look forward to your presence at this insightful event.

Registration Details:

Registration fees - Rs.500.00

Workshop on Interpretation of Bone Marrow Aspiration and Biopsy

Organized by

Indian society of Haematology and Blood Transfusion (ISHBT)

In collaboration with

Oncquest Labs, Kolkata, Gurgaon

Date: Saturday, 19th April, 2025

Venue: Hotel Stadel Salt Lake, Kolkata

Scientific Program

Time	Topic	Speaker
08:00 - 008:30 A.M.	BREAKFAST	
08:30 - 09:00 A.M.	Normal bone marrow techniques and interpretation	Dr. Tejinder Singh
09:00 - 09:20 A.M.	Anemia and Bone marrow failure syndromes	Dr. Vikram
09:20 - 09:40 A.M.	Bone marrow in Myeloproliferative Neoplasms	Dr. Tejinder Singh
09:40 - 10:10 A.M.	Bone marrow metastasis	Dr. Pronati Gupta
10:10 - 10:40 A.M.	Bone marrow in Lymphoproliferative Disorders	Dr. Tejinder Singh
10:40 - 11:00 A.M.	TEA BREAK	
11:00 - 11:15 A.M.	Bone marrow in Plasma cell disorders	Dr. Tejinder Singh
11:15 - 11:30 A.M.	Bone marrow infections	Dr. Vikram
11:30 - 11:45 A.M.	IHC on bone marrow biopsies	Dr. Debjyoti Ghosh
11:45 - 12:00 P.M.	Bone marrow in Mononuclear Phagocytic Disorders	Dr. Abhishek Sharma
12:00 - 12:15 P.M.	Osteopathies	Dr. Tejinder Singh
12:15 - 12.30 P.M.	Bone Marrow in Acute Leukemia	Dr. Debdas Bose
12:30 - 12:45 P.M.	Correct diagnosis is key for the treatment - Clinician perspective	Dr. Tuphan Kanti Dolai
12:45 - 01:30 P.M.	LUNCH	
01:30 - 04:00 P.M.	Microscopic Slide Viewing and Q&A Session
